

CURRICULUM VITAE

TRACY D. GUNTER, MD

Associate Professor Clinical Psychiatry
Division of Forensic Psychiatry
Department of Psychiatry
Indiana University School of Medicine
1111 West 10th Street
Indianapolis, IN 46202
Telephone: 317-274-1224
Facsimile: 317-278-5865
Email: tdgunter@iupui.edu

CITIZENSHIP: United States of America

EDUCATION:

Undergraduate: Baccalauerus Artium et Scientiae, South Carolina College, Honors College of the University of South Carolina, Columbia, SC. December, 1985

Graduate: Doctor of Medicine, University of South Carolina School of Medicine, Columbia, SC. May, 1990

Post-Graduate: Internship, Spartanburg Regional Medical Center, Spartanburg, SC. June, 1991

General Psychiatry Residency, Hall Institute (now Palmetto Health and the Department of Neuropsychiatry and Behavioral Science, University of SC School of Medicine, Columbia, SC June, 1994

Forensic Psychiatry Fellowship, Hall Institute (now Palmetto Health and the Department of Neuropsychiatry and Behavioral Science, University of SC School of Medicine, Columbia, SC, June 1995

Certificate Clinical Investigation, University of Iowa Graduate Studies, Iowa City, IA June 2008

ACADEMIC AND PROFESSIONAL APPOINTMENTS:

ACADEMIC

1995-1996	Teaching Psychiatrist and Medical Director, Psychosocial Rehabilitation Unit, Forensic Services, South Carolina Department of Mental Health, William S. Hall Psychiatric Institute, Columbia, SC
1996-2004	Clinical Assistant Professor, University of South Carolina School of Medicine, Departments of Neuropsychiatry and Family and Preventive Medicine. Columbia, SC
2003-2009	Assistant Professor (tenure track) and Director Forensic Psychiatry, Department of Psychiatry, University of Iowa Carver College of Medicine, Iowa City, IA
2004-2009	Assistant Professor, Iowa Consortium for Substance Abuse Research and Evaluation, Iowa City, IA
2009-2012	Associate Professor, Forensic Psychiatry, Department of Neurology and Psychiatry, Saint Louis University School of Medicine, St. Louis, MO. Tenured
2009-2012	Associate Professor, Saint Louis University School of Law, St. Louis, MO (Secondary appointment)
2009-present	Adjunct Clinical Associate Professor, University of Iowa Carver College of Medicine, Department of Psychiatry, Iowa City, IA
2012-present	Associate Professor Clinical Psychiatry, Indiana University School of Medicine, Indianapolis, IN
2012-present	Adjunct Professor, Indiana University McKinney Law School, Indianapolis, IN

NON-ACADEMIC

1994-1996	Consultant, South Carolina Department of Juvenile Justice, Columbia, SC
-----------	---

1996-1999	Medical Director, Dual Diagnosis, South Carolina Department of Mental Health, Morris Village Drug and Alcohol Treatment Center, Columbia, SC
1999-2003	Director, Forensic Evaluation Service, South Carolina Department of Mental Health, Columbia, SC
2003-2009	Forensic Psychiatry Consultant, Iowa Department of Corrections
2009-2012	Mental Health Provider, Saint Louis County Jail, Clayton, MO

LISCENSURE:

Indiana Medical License #01070168A – Expires June 30, 2013

South Carolina Medical License #15916 – Expires June 30, 2013

Iowa Medical License #35139 – Inactive April 19, 2010

Missouri Medical License #2008026918 – Inactive Jan 3, 2012

CERTIFICATION AND SPECIALTY BOARD STATUS:

American Board of Psychiatry and Neurology (ABPN) - Certified in General Psychiatry (#41717), initial 1995, recertified 2005 (exp 2015)

American Board of Psychiatry and Neurology (ABPN) - Certified in Forensic Psychiatry (#1014), initial 1999, recertified 2009 (exp 2019)

PROFESSIONAL ORGANIZATION MEMBERSHIPS:

American Psychiatric Association	1992-Present
American Academy of Psychiatry and Law	1994-Present
American Medical Association	1997-1999
International Academy Law & Mental Health	2002-Present
American Telemedicine Association	2003-2006

PROFESSIONAL HONORS AWARDS RECOGNITIONS:

1982-1985 Carolina Scholars Full Scholarship Awarded by the University of

South Carolina

- 1986-1987 Graduate Scholarship awarded by Kappa Kappa Gamma
- 1991 Spartanburg Regional Medical Center Outstanding Intern (Overall)
- 1994 Lebert Harris Award for Best Resident Paper in the area of psychoanalysis, University of South Carolina (Research)
- 1994 Central Neuropsychiatric Association Best Resident Paper (Research)
- 1997 South Carolina Department of Mental Health Louise Hassenplug Humanitarian Award Nominee (Service)
- 2003 Outstanding Contribution to Forensic Fellowship, University of South Carolina School of Medicine Neuropsychiatry Department Chairman (Teaching and Service)
- 2005 - 2011 "Best Doctors in America" Listing (Clinical Care)

TEACHING:

Indiana University at Indianapolis (2012-present)

1. Medical School – Department of Psychiatry
 - a) Develop and implement forensic fellowship curriculum
 - b) Assist in providing forensic didactics to general psychiatry residents
 - c) Evidence based medicine for medical students on psychiatry rotation

2. McKinney Law School
 - a) Course Director and Principle Instructor for Neuroscience and Law, LAW 700, class #32588 (Spring 2012)
 - b) Development of medical legal collaborations with potential for external funding
 - c) Paper preceptor: Chelsea Beaman, JD candidate 2013
 - d) Guest lectures as requested
 - Neuroscientific evidence, for Law and Forensic Science (LAW 774), Fran Watson Course Director, May 16, 2012

Saint Louis University (2009-2012)

1. Medical School-Department of Neurology and Psychiatry
 - a) Assist with the development and implementation of a forensic psychiatry training program with Dr. Alan Felthous, division director
 - b) Psychiatry Residency Forensic Psychiatry Series, "The Forensic Psychiatrist as Expert Witness," annually recurring

- c) Site supervisor, Saint Louis County Jail, medical students and psychiatry residents rotating on the forensic psychiatry service
 - d) Lecturer for medical student case conference series, periodically recurring
2. Law School
- a) Course Director and Principle Instructor: LAW 852 Forensic Psychiatry and the Law (Spring, 2010 & 2011)
 - b) Co-instructor LAW 86H Law and Science with Nicolas P. Terry, LLM. (Fall, 2010)
 - c) Mock Expert Witness, National District Attorneys Association's Strategic Cross Examination Training, October 6-7, 2009, Saint Louis University Law School
 - d) Individual research with law students on topics in mental health law beginning July 1, 2009 and recurring on demand
3. Undergraduate programming
- a) "Legal and Ethical Challenges Facing Healthcare Providers." Presented at the First Annual Scalpel and Gavel Symposium March 31, 2009 (with Kelly Dineen, JD, Assistant Dean for Academic Affairs, Saint Louis University School of Law; and Elizabeth Pendo, JD, Saint Louis University Professor of Law). The Saint Louis University undergraduate chapter of Phi Alpha Delta pre-law and law fraternity sponsored this symposium.
 - b) "Learning Professionalism." Presented at the Third Annual Honors, Pre-Med, and Pre-Law Student Awards Ceremony and Reception on April 1, 2009 (with Nicolas Terry, LLM, Senior Associate Dean for Faculty, Saint Louis University Law School).

University of Iowa (2003-2009)

1. Carver College of Medicine
Psychiatry Department
- a) Program Director Forensic Psychiatry with duties including consulting to the Iowa Department of Corrections, conducting original research, supervising resident rotations and electives, and developing a vertical curriculum on mental health and law for medical trainees.
 - b) RRC approved forensic psychiatry fellowship program #4061831049 (2004-2006)
 - c) Psychotherapy supervision for general psychiatry residency
 - d) Development of graduated curriculum for general psychiatry residency. Introductory topics included the role of the forensic consultant, practicing correctional psychiatry, assessing competence to stand trial and criminal responsibility, understanding informed consent, using and protecting the medical record, and conducting risk assessment. Advanced topics built upon previous concepts and included an overview of medical malpractice, medico-legal risk management, conducting disability evaluations, interacting with

- attorneys, and managing the incompetent patient.
- e) Recurring child psychiatry lectures in juvenile delinquency and assessment of threats made by adolescents.

Medical Student Activities (Psychiatry Department and General)

- a) Medical Student Mentoring Projects (Clinical and Professional Reflections (CPR), Faculty and Students Together (FAST), and individual career mentoring)
- b) Medical Student psychiatry clerkship lecture series (orientation lecture on decisional capacity and commitment law and case based learning experiences on borderline personality disorder and substance use disorders)
- c) Performance Based Assessments examiner
- d) Research Day Judge for medical student research activities
- e) Lecturer and small group co-leader in Health Law for 1st and 2nd year medical students (Cheryl Erwin, JD, PhD course director)
- f) Guest lecturer Healthcare, Ethics, Law, and Policy course for 2nd year medical students (Lauris Kaldjian, MD, PhD, course director) on legal and ethical aspects of informed consent and risk disclosure

2. Law School

- a) Lecturer Genetics and Law summer class for 2nd year law students (Cheryl Erwin, JD, PhD, course director)
- b) Guest instructor Health Quality 091:270:001 course for 2nd year law students (Nicolas Terry, LL.M., course director)

3. Mentees

- 1) Psychology (Matthew Woodin-graduated with BS in psychology 2005)
- 2) Russian Language (Grant Griffin-admitted to medical school 2006)
- 3) Pre-medicine (Hanna Engel - University of Iowa class of 2010)
- 4) Forensic psychiatry
 - Semrat Sethi, MD (currently practicing forensic psychiatry)
 - Stephanie Lopez, MD (currently practicing forensic psychiatry)
 - Sandra K Antoniak, MS, MD (currently chief resident, C&A psychiatry, University of Iowa)

Visiting Professorship:

Summer 2006 Distinguished Visiting Scholar in Residence, Santa Clara Law School, Santa Clara, CA, Donald Polden, Dean.

Visiting Law School Guest lecturer or instructor positions

March 8-22, 2008 "Physician role in healthcare quality in the technologically mediated setting." Guest lecturer and co-instructor for "E-Health," University of Melbourne Law School

March 3-10 2006: "Physician role in healthcare quality in the technologically mediated setting." Guest lecturer and co-instructor for "E-Health," University of Melbourne Law School

January 17, 2006: "Physician perspectives on emerging themes in medical malpractice litigation." Guest lecturer for Advanced Topics in Medical Malpractice Litigation, St Louis University Law School

November 6, 2005-"Mental Health Defenses and the Expert Witness." Guest Lecture, St Louis University Law School

February 16, 2005- "Medical Malpractice and the Expert Witness." Washington University Law School, Saint Louis, Missouri

May 1, 2004-May 4, 2004 – Practicing Medicine in a Crisis Environment: Examining the impact of regulation on the doctor-patient relationship. Medicine. Course Lectures given at Monash Law School, Melbourne, Australia.

February 18, 2003 - Legal and Ethical Issues in the Provision of Telemedicine Services. Course Lecture given at Melbourne Law School, Melbourne Australia.

University of South Carolina (1995-2003)

1. Medical School

a) Forensic Fellowship: supervised forensic fellows in evaluations involving criminal defendants in a state court clinic, assisted program director with Special Topics lecture series including recruitment of guest lecturers and provision of lectures on topics selected by the forensic psychiatry fellows including serial killer profiles, the impact of mental retardation on adjudicatory competence; facilitator for the Landmark Cases series; and provided support for core skills development series

b) Psychiatry Residency: lectures to the general and child psychiatry residents included risk assessment in psychiatric patients, conducting pretrial evaluations, structure and function of family court, and assessment of suspected malingering

c) Medical Student: supervisor and lecturer in forensic psychiatry

2. Law School and Associated Entities: Stimulus materials prepared on battered woman cases for the National Advocacy Center, mock expert witness testimony and lecture on mental health defenses for Criminal Trial

Advocacy course (John Delgado, JD, principle instructor), and brief lectures on pretrial psychiatric evaluations were given. Additionally, conference presentations were done at the Habeas Center in Columbia, SC and the Habeas Institute in New York, NY.

3. Undergraduate and Graduate School Programming: Recurring guest lectures
 - a) College of Social Work: Assessing and treating mental health disorders using a biopsychosocial approach (emphasis on eating disorders)
 - b) Rehabilitation Counseling (RHAB 761): Assessing mental impairments, working with mentally ill persons, and assessing threats of violence
 - c) College of Criminal Justice (CRJU 435): Pretrial assessment of competence to stand trial and criminal responsibility, assessment of malingering in the evaluation of legally-involved persons, working with mentally ill detainees, and assessing threats of violence

GRANTS:

Nellie Ball Trust- March 2, 2004- "An Investigation of the Impact of Traumatic Life Experience on Service Utilization Among Mentally Ill Incarcerated Individuals" Award \$19,733- Investigation of legal issues affecting individuals with mental disabilities. Role: Principal Investigator

Nellie Ball Trust- February 4, 2005- "Assessing and Addressing the Mental Health Service Needs of Women Served by Community Corrections." Award \$19,388- Investigation of legal issues affecting individuals with mental disabilities.

Role: Principal Investigator

University of Iowa NIH K12 Scholar-July 1, 2006-June 30, 2008- "Persisting ADHD as an externalizing disorder in adults served by community corrections." Award \$220,000. Role: Principal Investigator

American Academy of Psychiatry and the Law Institute for Research and Education -July 19, 2006- "Recidivism Risk in Women Served by Community Corrections." Award \$14,625. Role: Principal Investigator

Obermann Award for Interdisciplinary Research – awarded January 9, 2008 for grant period July 1-31, 2008- "Consumers as Patients or Patients as Consumers? An Interdisciplinary Inquiry into the Evolving Relationship between Healthcare Providers and their Customers," with Nicolas Terry, LL.M. Award total \$12000. Role: Co-Investigator

Research team member on Genetics Studies of Substance Abuse in Iowa Adoptees (PI: R Philibert, MD, PhD), 20% support July 1, 2008 – January 1, 2009. Role: Research Team Member. Jan 2, 2009-Jan 1, 2010 consultant

Saint Louis University President's Research Fund Recipient; Do Structural Rather Than Therapeutic Factors Determine the Placement of Offenders in Mental Health Courts? Awarded May 2011, Co-investigator, May 2011

PROFESSIONAL ACTIVITIES:

1. Invited lectures in national and international meetings

June 23, 2011: "Research & Genetics in Behavioral Disorders." A session for judges, presented at the 2011 Judicial Conference, Scottsdale, AZ

April 1, 2011: "Biological Bases of Psychopathy – A Judge's Guide." Sentencing Conference for Missouri Judges. Lake of Ozarks, MO

November 12, 2010: "A Judge's Guide to Psychopathy: A Review of Recent Research." Presentation for the National Leadership Judges' Science Boot Camp. Sponsored by ASTAR (Advanced Science and Technology Adjudication Center) and Saint Louis University School of Law.

November 11, 2010: "Expert Witness Testimony" workshop for judges presented with Jane Turner, MD, pathology, at the National Leadership Judges' Science Boot Camp. Sponsored by ASTAR (Advanced Science and Technology Adjudication Center) and Saint Louis University School of Law.

June 13-15, 2010: "Behavioral Genetics and Antisocial Spectrum Disorders: The Long and Winding Road from Genes to Behavior." Genomics, Medicine, and Discrimination: Second Decade Genetic Technologies' Entry into American Courthouses. National Leadership Judges' Science School. Sponsored by ASTAR (Advanced Science and Technology Adjudication Center) and The National Human Genome Research Institute, NIH. Bethesda, MD.

November 9, 2005-"The Viable Telemedicine Clinic" and "Assessing and Addressing the Mental Health Service Needs of Incarcerated Women in State Prisons." US Psychiatric and Mental Health Congress, Las Vegas, NV, presented by CME LLC

2. Oral presentations in national and international meetings

October 28, 2011: "Lifetime Trauma, Post Traumatic Stress Disorder, and the Prediction of Suicidal Ideation and Behavior in Two Corrections Samples." Research in Progress. Annual Meeting American Academy Psychiatry and Law, Boston, Massachusetts.

July 29, 2011 "Legal, Ethical, and Medical Perspectives on Psychiatric Advance Directives" in Current Issues in Mental Health Law. Chair/Moderator Stacey Tovino. Southeastern Association of Law Schools Annual Meeting, Hilton Head, SC

July 17-21, 2011 "Behavioral Genetics Enters the Courtroom: Understanding Genetic Contributors to ASPD in the Legal Arena" and "International Perspectives on Psychiatry Advance Directives" 32nd Congress of the International Academy of the Law and Mental Health, Berlin, Germany. Organizer and lead presenter.

May 14-18, 2011 "Social Media: A Risky Business." Panel presentation with Drs. Robert Hsiung, Seth Powsner, and Professor Nicolas Terry. American Psychiatric Association. 164th Annual Meeting of the American Psychiatric Association, Honolulu, HI

October 24, 2010 "Genetic Vulnerabilities in Aggression, Impulsivity and Substance Use Disorders." Research in Progress presentation." Annual Meeting of the American Academy of Psychiatry and Law, Tucson, AZ.

October 21, 2010 "Practical skills in conducting and assessing correctional psychiatry research" with Drs. Donald W. Black and Robert L. Trestman. Workshop for the Annual Meeting of the American Academy of Psychiatry and Law, Tucson, AZ. Organizer and lead presenter.

October 31, 2009- "Medical and Mental Health Problems in Community

Corrections.” Research in progress, Annual Meeting American Academy of Psychiatry and Law, Baltimore, MD.

July 2, 2009-“MySpace and Treatment Space: A Practitioners Guide to Social Networking and Internet Searches” Panel organizer, moderator, and speaker, 31st Congress of the International Academy of the Law and Mental Health, New York City, New York.

October 27, 2008- “Community Corrections: Learning More to Enhance Outcomes.” Research In Progress, Annual Meeting of the American Academy of Psychiatry and the Law, Seattle, Washington.

June 27, 2007 - “What do we tell our patients about e-Health?” International Academy of the Law and Mental Health, Padua Italy. Panel: Legal, Ethical, and Professional Barriers to eHealth. Nicolas Terry, panel chair.

June 26, 2007 – “Did lawyers invent PTSD? Nomogenic aspects of anxiety disorders in civil litigants.” Panel: Nomogenic Illness in Forensic Psychiatry, George Mendelsohn, panel chair. 30th Congress of the International Academy of the Law and Mental Health, Padua, Italy.

November 6-8, 2005- “The Viable Telemedicine Clinic” and “Mental Health Needs in Women Incarcerated in State Prisons.” Two invited presentations for the Psychiatric Congress held in Las Vegas, Nevada.

October 27-31, 2005- “Mental Health and Addictive Disorders in a Correctional Setting,” “Adult Outcomes of ADHD and CD in an Adoptee Sample: Are the Risks Independent or Additive,” and “ADHD in a Probation Sample.” Three presentations given at the Annual Meeting of the American Academy of Psychiatry and the Law, Montreal, Canada.

November 8, 2004-“Mental Health Issues Faced by Women Incarcerated in State Prisons with Implications for Family Functioning.” Presented at the World Psychiatric Association, Florence, Italy.

April 17, 2004 – “Traumatic Life Experience Increases Service Utilization in State Prison.” Poster presentation at the Sixth Annual Meeting of Future Leaders in Psychiatry: Palm Beach, Florida.

October 1-3, 2003 –“Assessing Capacities in Individuals with Mental Impairments: Ethical Considerations.” Paper presentation at International Academy of Law and Mental Health. 28th Congress of the International Academy of the Law and Mental Health, Sydney, Australia.
